## PRE-AUTHORIZED PAYMENTS

Here's how pre-authorized payments work.

It's a modern, easy method to make those recurring bill payments without the inconvenience of cheque writing and the increasing cost of postage or that trip to pay your bills.

### It's Convenient

The pre-authorized payment method eliminates the need for you to write cheques each month for your regular bill payments.

### It's Economical

One authorization is all that is required for a series of payments to be made automatically through your bank or financial institution chequing account. This means no postage and envelope costs.

### It's Secure

With pre-authorized payments there are no cheques to get lost or stolen – you avoid the embarrassment of missed payments, and the penalty charge for late payments as a result. You may stop payment at any time if you feel the necessity to do so.

### It's Assured

If you are away on vacation, out of town on business or sick, your payments will be made on time. Even postal disruptions will not prevent your bill payments from reaching their destination on time.

## Answers to Frequently Asked Questions

1. The payment transfer date will be the last day of the month. If the month end falls on a weekend or holiday, the transfer will be made on the first business day of the next month. This way your account will be paid on time, not early and not late.
2. Should an incorrect amount be charged to your account, notify us at least five business days prior to the transfer amount and it will be corrected. Otherwise, an adjustment will be made on your next statement and transfer amount, or we will promptly issue a refund cheque to you if you wish.
3. Should you move your account from one bank or branch to another, or change your bank account number, please advise the club immediately so we can arrange a new agreement with you so payments can continue uninterrupted.
4. You continue to have control just as with cheques you have written. You can instruct your branch to stop payment before it goes through your account and you can discontinue payments altogether, if desired, by advising the club in writing.
5. Your payments are recorded automatically and individually on your monthly bank statement or passbook. You can also continue to enter your pre-authorized payments in your personal cheque record book as if you had written and mailed a cheque.
6. There is no additional cost to you for this service, other than any cheque cashing fees you may already be paying to your bank. If you do not pay a bank service charge, then this service would also have no fee to you.
